

Lesson 3

Numbers, Days and Dates

It is Julia's birthday today.

Heute ist Julias Geburtstag.

Lothar Hi Julia! How are you?

Julia Fine, Lothar. Nice to see you!

Lothar Julia, my watch is wrong (geht falsch). What time is it?

Julia It's ten o'clock!

Lothar And what day is it?

Julia It is Tuesday. Yesterday was (Gestern war) Monday, and tomorrow (Morgen) is Wednesday.

Lothar And the date (Datum)?

Julia Today is the twenty-first (21.) of June 2011 (two-thousand and eleven). Why?

Lothar Oh... ah... Is it...?

Julia Yes, it is my birthday (Geburtstag) today!

Lothar How nice! How old are you today?

Julia Today I am thirty-one (31) years-old. It is my first (1.) birthday in Berlin.

Lothar So, you are a Gemini! Gemini people have birthdays from May twenty-second (22.) to June twenty-first (21.).

Julia Come to my birthday party tomorrow night! Come at nine (9) o'clock! Do you have time?

Lothar Yes, I have time.

Julia I'm glad!

Lothar Fine! Until tomorrow night!

Julia See you later!
