

Lesson 4

Activities

Lothar and Julia meet.

Lothar und Julia treffen sich.

Lothar            Hi Julia! How are you?

Julia             I can't complain! How do I look?

Lothar           You look great (grossartig). You shouldn't complain! How do you feel?

Julia             I feel great, thank you!

Lothar           Julia... do you have a boyfriend?

Julia             Lothar! Well... no, I don't!

Lothar           Do you have friends at MegaHard?

Julia             Well, I know a nice (netten) man. We always see each other at MegaHard, but (aber)...

Lothar           Do you love him? Does he love you?

Julia             He loves himself, not me!

Lothar           Well, people should love themselves.

Julia             And you? Do you love yourself?

Lothar           Julia...

We should get to know each other better (besser). We can meet tomorrow evening... and go on a date together (zusammen ausgehen).

Julia             Gladly!

Lothar           When? (Wann?)

Julia             First (zuerst), we need to know each other better!

Lothar           OK. What do you like to do at night? What can we do?

Julia             I like to dance! Do you like to dance?

Lothar           I can't dance.

Julia             Yes, you can!

Lothar           I like to sing!

Julia                   How nice! What is your favorite song?

Lothar                 My favorite song is "The Lonely (einsamer) Boyfriend." I love it!

Julia                   That is a good song! I also (auch) like Mozart in the morning.

Lothar                 I also write poems. Do you like them?

Julia                   Poems? Yes, I like them. My favorite poem is "I Love You".

                           Can we go dancing?

Lothar                 Well, OK. But first we should eat. We can meet each other at the (beim) Italian (italienischen) restaurant. Early tonight, at eight-thirty (20:30). I have to be up early tomorrow. Is that OK?

Julia                   That is fine! We don't have to eat.

Lothar                 But it is a good restaurant...

Lothar                 Wow (Mensch)! I need to take a walk, and I need to smoke a cigarette!

Julia                   Lothar! Do you smoke?

Lothar                 No, I don't smoke, but I am nervous (nervös)!

*Julia smiles (lächelt)*

Julia                   Love is always like that!

                           Well, until tonight!

Lothar                 I feel good!
